THE DAVIS RECITAL.

A Large Audience Pleasantly Entertained Last Evening.

Vocal and Instrumental Selections and Recitations—Kindergarten Exercises at Rowland Hall—Alumni Reunion.

The auditorium of the Congregational church was crowded to its utmost capacity last evening with an appreciative audience, the event being the second annual recital of Professor and Mrs. O. F. Davis, assisted by Miss Gratia Flanders, and given under the auspices of the Y. M. C. A.

The program was rather long, but nevertheless an unusually meritorious one. That it met with the approbation of the auditors was demonstrated by the applause the various selections were greeted with.

Mrs. Davis gave an excellent interpretation of the Cabaletta, from La Sonnambula, but her voice was heard at its best in the trio, "Bird of the Mountain." The obbligato vocal was admirably played by W. C. Olive, and Miss Flanders was an able piano accompanist.

In response to an encore the two gave Neidlings, "My Rod," Miss Flanders' piano solo, "Witches Dance," by Paganini, also called forth an encore, to which the lady gallantly responded by rendering "Chopin's Mazurka."

The recitation by Prof. Davis demonstrated his elocutionary powers, "The Debating Society" being the best.

Mrs. Davis was presented with a beautiful floral tribute by several of the professor's pupils. The programme was changed, Miss Flanders playing "The Witches' Dance" instead of the Rondo Brillante, and Mr. Davis reciting "The Legend of Quaker Strong" in place of "That Terrible Talking Boy."

KINDERGARTEN EXERCISES.

The Little Tots at Rowland Hall Give an Entertainment.

The closing exercises of the kindergarten class of Rowland hall were held yesterday forenoon in the institution.

About twenty-five of the little tots ranging from three to six years of age took part in the exercises and over a hundred of their parents and friends were present.

Miss Bertha Robinson, the principal of the kindergarten department, opened the proceedings with invocation.

The children engaged in a musical programme of nineteen numbers of kindergarten songs, etc., the most notable of which were "The Frogs Song," "Away Away, Among the Blossoms," "Lovely May," "Oh! Where Are the Merry Merry Little Men to Help Me Today?"

"The Flower Song," all of which were very prettily rendered. "The Flower Song" was given in quite a picturesque way, all the children having cut out of cardboard, which they held aloft, keeping time with the rhythm of the song.

Then followed the exhibition of the work done by the pupils during the past term consisting of artificial flowers, paper cutting, sewing, weaving, drawing and fancy work.

Next came a marching and drill exhibition, led by May Dutton and Charley Carr.

After closing each child presented a basket of its own making, filled with flowers to its parents whilst all sang an appropriate ditty.

The proceedings closed with dances, songs, etc., after which Mrs. Dutton took photographs of the children arranged in groups on the lawn. The room were beautifully decorated with flowers and many devices, all the work of the little ones.

The vacation will extend over three months, the school resuming Sept. 8, under the same teachers.
